Française Grande Remise -  
Division Sécurité)**

**The Excellence of Executive Protection,  
Risk Management & Security Services**

**Corporate Edition 2025 - French Federation of Luxury Security Services**  
(Intellectual Property of FFGR Worldwide - All rights reserved)

## French Security, Global Standards

# The Art of Protection

FFGR SÉCURITÉ represents the elite branch of the French Federation of Luxury Transportation, dedicated to **executive protection, risk management, and secure mobility.**

With a foundation built on **discipline, ethics, and confidentiality**, the division combines **French precision and European standards** to deliver unmatched security excellence.

# Mission & Vision

## Mission:

Protect individuals, assets, and organizations with **integrity, discretion, and operational mastery.**

## Vision:

To establish the FFGR as a **global benchmark in executive and luxury security services**, uniting professionalism, loyalty, and human intelligence.

# Core Values

## Loyauté (Loyalty)

Absolute commitment to duty and client trust.

## Force maîtrisée (Controlled Strength)

Expertise without aggression; protection with precision.

## Confidentialité (Confidentiality)

Silence and vigilance as hallmarks of trust.

## Excellence (Excellence)

Training, ethics, and reliability at every level of operation.

# Our Fields of Expertise

## 1 Executive Protection

- Close protection for CEOs, diplomats, and public figures.
- Protective intelligence and threat analysis.
- Coordination of security convoys and VIP mobility.

## 2 Corporate & Event Security

Discreet security for corporate events, galas, and luxury venues.

Access control and crisis prevention systems.

Coordination with local and national law enforcement.

### 3 Secure Mobility & Escorting

Armed or unarmed security drivers certified by FFGR.

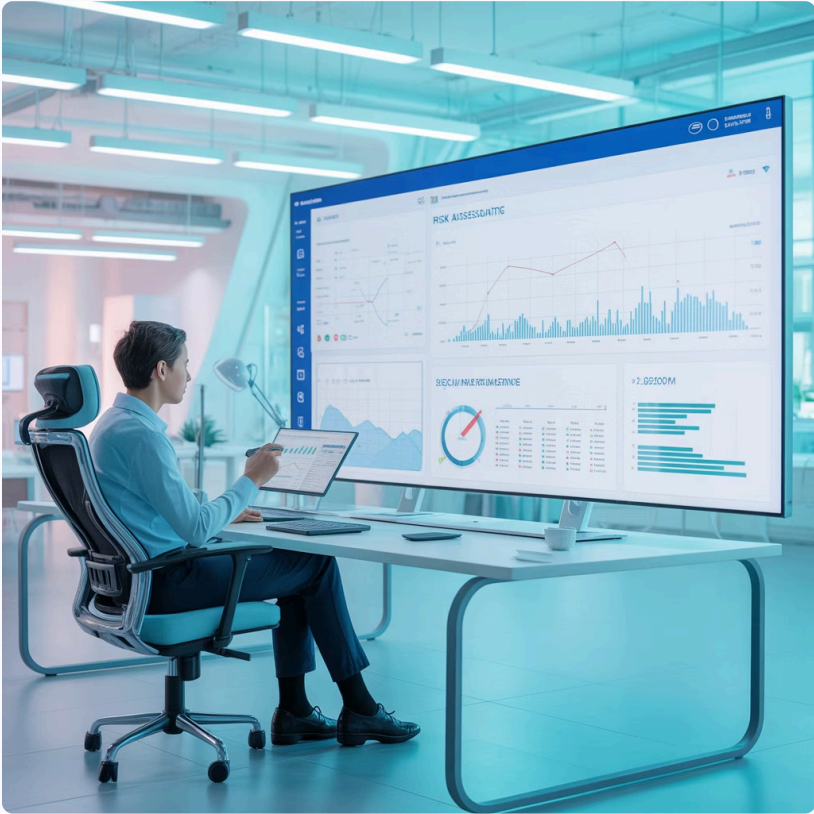

Secure transportation for high-profile clients.

Integration with FFGR Luxury Chauffeur and Concierge divisions.

## 4 Risk Management & Consulting

- Risk mapping and strategic security planning.
- Vulnerability assessments for corporations and private residences.
- Development of integrated crisis response systems.

## 5 Training & Certification - IFGR Sécurité

---

Official training programs certified by the French Institute of Luxury Transportation (IFGR).

---

Modules in tactical awareness, crisis negotiation, security driving, and ethical protocol.

---

Internationally recognized FFGR/IFGR certifications.

# The Five Pillars of Security Excellence

- 

**1 Representation & Legitimacy**  
FFGR SÉCURITÉ operates under the governance of the **Fédération Française Grande Remise**, ensuring compliance with French, European, and international laws.
- 

**2 Professional Standards**  
Adherence to **CNAPS** standards and French **Code de la Sécurité Intérieure**. Mandatory background checks, ongoing ethics and confidentiality training.
- 

**3 Innovation & Intelligence**  
Integration of modern technologies – AI surveillance, encrypted communications, GPS escort systems. Advanced analysis and predictive risk management.
- 

**4 Coordination & Diplomacy**  
Collaboration with **state institutions, embassies, and private intelligence partners**. Interoperability between FFGR divisions: Transport, Concierge, and Executive Security.
- 

**5 Prestige & Discretion**  
Security rooted in elegance – **protection without intimidation**, discipline without ostentation. A distinctive FFGR hallmark: discretion, excellence, and French refinement.

# IFGR Sécurité - The Institute of Operational Excellence

L'**Institut Français de la Grande Remise - Division Sécurité** is the official training and certification branch of FFGR dedicated to security professionals.

## Objectives:

- Professionalize the elite sector of luxury and diplomatic protection.
- Promote the ethics of security through behavioral mastery.
- Train individuals who embody integrity, vigilance, and self-control.

# Compliance & Regulation

## CNAPS Certification

Authorization for private security and protection services.

## French Security Code (CSI)

## EU-DSGVO Compliance

Data protection and privacy assurance.

## FFGR France Charter of Ethics

# Why Join FFGR SÉCURITÉ

1

A national and international certification of excellence.

2

Integration into an elite French and European security network.

3

Training and operational development through IFGR.

4

Access to exclusive contracts and private missions.

5

Representation under the FFGR Worldwide authority.

# Strategic Vision 2025-2030

- 1** — **2025:**  
Creation of FFGR Security Command Unit - Paris.
- 2** — **2026:**
